About

Cassia Co-op is the **first cinnamon processing and exporting company** to set-up in Kerinci (Jambi province, Indonesia), at the heart of the cinnamon plantations.

Mission: To export cinnamon products and patchouli oil from Indonesia while *removing middlemen* from the supply chain. As a result **linking farmers with end-users** and vice versa in order to create **transparency and interdependency**. Creating a **fair and efficient supply chain** while having a sustainable positive impact in Sumatra, Indonesia.
